Your Reference:	BWXXXX-X, where X is any alpha-numeric character., Open Type Programmable Controller		
Project Scope:	UL Listing to the following standard(s): UL 61010-1, 3rd Edition, May 11, 2012, Revised July 15 2015, CAN/CSA-C22.2 No. 61010-1-12, 3rd Edition, Revision dated July 2015		

Dear Mr. Ryan Goslin:

Congratulations! UL's investigation of your product(s) has been completed under the above Reference Number and the product was determined to comply with the applicable requirements. This letter temporarily supplements the UL Follow-Up Services Procedure and serves as authorization to apply the UL Mark at authorized factories under UL's Follow-Up Service Program. To provide your manufacturer(s) with the intended authorization to use the UL Mark, you must send a copy of this notice to each manufacturing location currently authorized under File E490200, Vol. D1.

The Test Report and records in the Follow-Up Services Procedure covering the product are completed and are now being prepared (if you do not have a separate CB Report, you can to access the Test Report now). **Please have the appropriate person in your company that is responsible for receiving/managing UL reports access an electronic copy of the Test Report and FUS Procedure through the CDA feature on MyHome@UL, or if you desire another method of receiving the report please contact one of the contacts below.**

Since you have Manufacturing factories that manufacture this product at a different location than above, please inform each factory listed below that they need to access their UL FUS Procedure via MyHome@UL, or have them contact us to email the Procedure to them.
